### MINISTRY OF COMMERCE

### NOTIFICATIONS

New Delhi, the 30th September 1965

**8.0.** 3148.—Whereas the Central Government is of opinion that in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the minerals and ores specified in the Schedule annexed hereto should be subject to inspection prior to export;

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government publishes the said proposals for the information of the public likely to be affected thereby.

2. Notice is hereby given that any person desiring to forward any objection or suggestion with respect to the said proposals may forward the same within thirty days of the date of publication of this notification to the Export Inspection Council, World Trade Centre, 14/1B, Ezra Street, 7th floor, Calcutta-1.

#### Proposals

- (1) To notify that the minerals and ores sepcified in the Schedule annexed hereto shall be subject to inspection prior to export.
- (2) To specify the type of inspection in accordance with the Export of Minerals and Ores (Inspection) Rules, 1965, as the type of inspection which would be applied to such mineral and ore.

(3) To prohibit the export, in the course of international trade, of any such mineral or ore unless the consignment of such mineral or ore is accompanied by a certificate issued by an agency recognised by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963) to the effect that such mineral or ore complies with the specifications stipulated in the Export contract and is exportworthy.

## SCHEDULE

- 1. Ferromanganese, including ferro-manganese slag.
- 2. Bauxite.
- 3. Chrome ore, including chrome concentrates.
- 4. Kyanite.
- Sillimanite.
- 6. Barytes.
- 7. Zinc ores, including zinc concentrates.
- 8. Magnesite including dead-burnt and calcined magnesite.
- 9. Red Oxide.
- 10. Yellow Ochre.

[No. 60(7) Exp.Insp/63.]

S.O. 3149.—Whereas the Central Government is of opinion that in exercise of the powers conferred by clause (a) and (b) of section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), manganese ore and iron ore should be subject to inspection prior to export;

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government publishes the said proposals for the information of the public likely to be affected thereby.

2. Notice is hereby given that any person desiring to forward any objection or suggestion with respect to the said proposals may forward the same within thirty days of the date of publication of this notification to the Export Inspection Council, World Trade Centre, 14/1B, Ezra Street, (7th floor) Calcutta-1.

#### Proposals

- (1) To notify that manganese ore and iron ore shall be subject to inspection prior to export.
- (2) To specify the type of inspection in accordance with the Export of Manganese Ore and Iron Ore (Inspection) Rules, 1965, as the type of inspection which would be applied to manganese ore and iron ore.

[No. 60 (7) Exp.Insp/63.]
